Funded Online Registration for Regional Live Hubs

In the planning of this hybrid Congress we don't want travel or the registration fee to be a barrier. By having a dedicated online programme, we are aiming to make everything as accessible as we can for those who are joining from around the globe.

Thanks to the support of our sponsors **Tru Vue Inc.** FREE online participation is available to colleagues living and/or working in [Band 2 - 4 full list of countries is available here](#), including the following IIC priority regions: Africa, South America + Caribbean, and South-East Asia. If you are a non-member located in an IIC priority region or Band 2 - 4 countries, you can [register to attend online here](#).

With thanks to the support of the **Getty Foundation**, we are also able to support a dedicated [Regional Live Hub for India](#). If you would like to register to participate in the Regional Live Hub India you can [complete this simple online form here](#).
