

IIC Fellowship Applications - Creating an inclusive and diverse network

Submitted by Sarah Stannage on Mon, 28/08/2023 - 17:38

Friendship, co-operation and a welcome generosity in sharing knowledge are at the heart of IIC's Fellowship. We support professionals all over the world, enabling individuals to develop at important stages of their career.

As a Fellow of IIC you will become part of a very special network and we will help you stay up to date with the latest news, research and through major changes to our [Opportunities Fund](#), provide seed funding for projects that promote collaboration internationally. We are keen to create a diverse and inclusive network of Fellows, bringing a breadth of experience to responding to the issues and opportunities of our times.

Details about the application and nomination process for Fellowship can be [found here](#).

The next deadline for applications is the **30 November 2023** . If you need any further information or support please get in touch with the [IIC Office](#).
