

"Conservation of photographic albums: practical and ethical issues" Congress

Submitted by Marina Herriges on 18 Mar 2024

Department of Conservation and Restoration of Cultural Heritage. Polytechnic University of Valencia. Photographic materials group GE-IIC

Theoretical-practical conference between 25 and 27 March 2024 at the facilities of the Polytechnic University of Valencia, organized by the Dept. of Conservation and Restoration of Cultural Heritage in collaboration with the Photographic Heritage Conservation Group of the GE-IIC and sponsored by Arte y Memoria. It will address, from different perspectives, the multiple variables when considering conservation projects and dissemination of photographic albums according to their formal characteristics, creation and current interpretation.
