

Focus on Conservation 2024 - Disaster Risk Management for Cultural Heritage

Submitted by Marina Herriges on 29 Nov 2024

DECEMBER 2–5, 2024, ONLINE CONFERENCE,
FREE PARTICIPATION, REGISTRATION REQUIRED

What are the risks for objects in our collections?

What can we do to protect them before, during and after disaster strikes?

This international conference will look into preparation, response, training, research and networks to address and mitigate the effect of disasters on cultural heritage.
