

# 2024 Collections Trust Award – last chance to apply

Submitted by Marina Herriges on 14 Jan 2025

The Collections Trust Award highlights the often-unsung achievements of those who manage the collections that lie at the heart of all museums. This year's theme is putting collections data to work, mirroring the 2024 conference theme.

Has your museum undertaken a project that put collections data to work in the context of [rethinking cataloguing](#)? Or perhaps you have improved workflows and procedures so that formerly 'single use' content can be safeguarded and retrieved for a variety of users and uses.

If so, Collections Trust want to hear from you! Your museum could win £1000 to spend on an agreed collections management activity. There will also be an online celebration event on Thursday 13 March.

Deadline is 9am on Monday 20 January
